No 546 dated 31 8 25

Submits for approval draft revised bye-laws relating to sale of meat intended for human consumption as called for in this office letter dated 17-2-25.

The Regulations are duly revised in the light of the suggestions made at paras 8-10 of the note in the file and 61-24-58 put up below.

Submitted for orders

Dy 1879/25 The words "which require the licence in writing" have to be inserted after the words "from any place" in bye-law 1, as the permission of the Health Officer is required only in such cases & not for sale in the public markets and the words "without the sanction of the Health Officer" should come before "shall be liable on Conviction"

The bye-laws seem to be all right otherwise and may be approved with the above modifications

Mel 84 — 25-

Sir,

With reference to the draft Bye-laws relating to the sale of meat &c intended for human consumption framed by the Mysore City Municipal Council, and received with your letter No 546 dated the 31st August 1925, I am directed to state that as the sanction of the Health Officer refers only to places for which a license may be required in writing before they can be used for the sale of animals intended for human food etc , Bye-law No 1 has to be recast somewhat as follows -

"When a license is required to be taken in writing for the use of any -- place for the sale of animals intended for human food, or of meat or of flesh, any person using the same without the sanction of the Health Officer obtained in writing for any of the above purposes shall on conviction before a Magistrate be liable to a fine not exceeding Rs 10 and to a further fine which may extend to Re 1 for every -- day after such conviction, during which he continues to use it "

2 The Bye-laws seem to be all -- right in other respects and may be published with the above modifications

I have etc ,
